Form Features and Coverage Highlights

(i-bind)[®] provides access to some of the broadest and most competitively priced management liability coverage. (i-bind) offers broad eligibility criteria, encompassing the majority of not-for-profit classes. Eligible not-for-profit organizations must have 1,500 or fewer employees and \$100 million or less in annual revenues.

- Duty to Defend

Darwin appoints proven legal experts with well-earned reputations for fairness and responsiveness to represent Insureds. Even if only part of a claim is covered, defense expenses are covered in full without any allocation for uncovered allegations.

- Defense Expenses

Defense expenses are in addition to the Limit of Liability and do not reduce the Limit of Liability.

- Defense and Settlement of Claims

Darwin will not settle without the consent of an Insured. Even if an Insured refuses a settlement and the ultimate resolution is higher, the Insured only pays 20% of the loss and defense expenses in excess of the refused settlement.

- Broad Definition of Claim, Includes
